Mum i hope you're well. Mum I have sent you a screen shot of the receipt. I ordered them online. It was cheaper. I got 18pcs and I used 50\$ to buy two sets of hand dryers to sell too.I have sent the pictures.

Dear Irene,

Please send me a receipt for the purchase of \$350 USD of the clothing for the business startup. I need this for documentation on the grant. I have asked you for this before I sent the money and you assured me that you would provide it. This is very important. Thank you.

Sincerely,

Janice
