## Bill of Payment

For 10' x 10' wide x 1' depth = 1 unit

There are altogether 250 unit for the whole pond

1 unit cost = 10,000 (2-3 people dig per day for 1 unit) Sometime children of the family also carry earth to the bank.

There are about 74 people dig per day and supervisor pay everyday works (10,000 x 37 = 370,000).

After 7 days the excavation project completed.

Cost for the whole project is 370,000 x 7 = 2,590,000 kyat

Received from Rotary Club of Homer-Kachmak Bay = US\$ 1,600 x 1,562 = 2,499,200 kyat

Difference of 90800 kyat is the contribution from the village.
