Please sign this page, fill out and sign the next page, and scan/ email back to robbattey@gmail.com or fax to 541-385-8025

**Note: You must define in the form below what your local voltage and phase is so the kiln can be configured properly to fit your power supply.*

**Note: We must have your signatures and contact info on this form and the next, on record before your kiln can be made.*

Once shipped, kilns and accessories are NOT returnable for any reason. They are covered under L&L's 3-year parts warranty. This quote may be withdrawn at any time.

ORDER CONFIRMATION (FOR OUR RECORDS ONLY)

L&L configures the kiln to run properly on your voltage supply- it is necessary to provide accurate voltage and phase information.

Please read carefully and check off the boxes below.

240 volts **OR** 208 volts,

1 phase **OR** 3 phase

There is sufficient power where the kiln will be: needs a 50 amp breaker on 208 volts/ 3 phase

Total Sale for the E28T-3 kiln package: \$4430.00

Kilns are not returnable

Upon receiving kiln **MUST** be inspected and any damage reported within 24 hours. Kiln warranty does not cover shipping damage.

Complete Shipping Address (please print carefully):

Contact for Shipping (name/ phone/ email):

Payment Info: Net-30 Purchase Order is fine, if your school is publicly funded. Please email the PO to robbatney@gmail.com along with this quote filled out and signed. Credit cards also accepted for all other sales.

This quotation only covers the items specified and shipping to the given address direct from the manufacturer. It does not cover any re-delivery charges, inside delivery/ set-up/ training, state or local taxes, maintenance or repair fees that may incur from shipping, having, or using this kiln.
