Dear Fellow Noon Rotarians,

It is truly a humbling honor to be recognized financially by ones own peers. Your decision to donate to Water4Haiti

at this time was very crucial as we were in need of re stocking our pipe inventory. This \$2000 gift will enable us to

purchase over 1200' of pipe and repair between 30-70 pumps depending upon the number of pipe needing replaced.

Over the past 10 years we have averaged repairing 250 pumps each year. With each pump serving at a minimum of 300

people you can see the impact your donation will make. Thank again from the people of Haiti.

Sincerely,

Chuck Larsen
