**Rotary Club** Channahon-Minooka Rotary Club **District Grant # P-2166**

**Project Title** Arroyo Trails

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.  
Arroyo Trails is an initiative spearheaded by the People for Channahon Parks Foundation, in an effort to develop a new community park site in the Channahon and Minooka area. Channahon-Minooka Rotary Club used the district grant to supplement a donation from the club, for a total donation of \$5,000.
- How many Rotarians participated in the project? Since the project is still in the developmental stage, the only Rotarian involvement at this point is voting to support the project.
- What did they do? Please give at least 2 examples. N/A
- How many non-Rotarians benefitted from this project? Our immediate area boasts a population of around 27,000, based on the 2010 census numbers. Once the project is finished, it's anticipated that this will be a destination for surrounding communities as well as Channahon and Minooka residents.
- What are the expected long-term community impacts of the project? Long-term, the Arroyo Trails park will provide educational, recreational and cultural opportunities for our residents. Financially, it will boost the local economy as people travel to visit the park, and hopefully avail themselves of our local services.
- If a cooperating organization was involved, what was its role? N/A
- How did you share the news of your project? News was shared on our social media platforms, and we are continuing to pursue having coverage by a local newspaper.
