Rotary Foundation District Grant Final Report

1. District Grant #: P-2188 Name of Club: Pocatello-Gate City Rotary Club 21620
2. Name of District Grant: Taysom Rotary Park Upgrades
3. Briefly describe your project: The existing parking lot at Taysom Rotary Park in Pocatello was expanded from 4 to 12 spaces to accommodate increased use and improved park facilities. The parking lot expansion project was originally budgeted at \$16,726 but we were able to find a different paving contractor who agreed to complete the work for only \$8,000. With funding sources shown below, landscaping was added to this project for a total project cost of \$8,919.83. This parking lot expansion was complemented by a project completed in June 2018 that removed and renovated all fencing and most of the landscaping around this parking lot.
4. Who were the beneficiaries of the grant activities and how many of them were there?: The communities of Pocatello and Chubbuck (population 50,000) benefit greatly as a result of this project by providing better access to healthy activities at this City of Pocatello park and on the Portneuf Greenway trail system.
5. How many Rotarians participated in the project?: 35
Briefly tell what they did: Rotarians from all three Pocatello Rotary clubs primarily participated in this project by doing labor required to renovate, prepare and plant. In addition, Rotarians wrote grant requests and participated in project discussions.
6. If a cooperating organization(s) other than the beneficiary was involved, what was its role?
This entire project was coordinated and completed by the Pocatello – Gate City Rotary Club. Approval for the project was provided by the City of Pocatello Parks & Recreation Dept; they also installed irrigation to new landscape plants at the end of the project.
