Hello Keith, Leah

Previously I had mentioned that we need a bronze Rotary logo for installation and Hostetler Park. Since then, Peter with Corvus has provided the final construction and design (attached here). Will this work for the club?

If indeed there are funds available below is the email directly from Peter including the final costs associated with the park plan:

This year:

New Plaque Name Engraving: \$525

Cast Zinc Memorial Name and Sponsor Plaques: \$1,500 (in process of confirming this amount)

Concrete base for plaques: AS&G completely ghosted me. I'm checking with someone in the Valley. Is a placeholder of \$3,000 okay?

Future engraving:

-First 6 names: Typically a minimum of \$150 (since we remove and replace granite sections that are partially filled)

-For every 6 names after that, \$75

-If you are setting up a fund, \$500 per year would be a good amount to target... better more than less.

We had designed the memorial based on 8 names added per year... I'm assuming 35 names this year is in part "catching up"?
