

Golden Heart Rotary Club of Fairbanks
206 Barnette Street
Fairbanks, Alaska 99701

April 21, 2018

Dear supporter:

Thank you for your continuing support of our Golden Heart Rotary Club Golf Tournament. This summer the Golden Heart Rotary Club is proud to announce its ninth annual 18 hole golf scramble at Chena Bend Golf Course, Ft. Wainwright on August 4, 2018.

This year the recipient of this fundraising effort will be Leslie's Children. The Leslie Joan Campbell Foundation was established by her family after her death. Leslie Joan Campbell served as principal of Anne Wien Elementary School for 13 years and saw a need for children who had no food for the weekends. The Foundation's mission is to provide food and nutrition to elementary school students who need it most. Their brochure is enclosed to give you a great opportunity to see all the marvelous things they do for the community and its children.

We also plan to support The Rotary Youth Exchange program. This will be our fifth year sponsoring a student from overseas to visit our fabulous community. We are also sending a Fairbanks student overseas to experience a different culture in the Netherlands.

We hope that your organization will take part in our tournament by becoming a major sponsor, by a donation of \$1,000.00. We also have sponsorships available for the tournament prizes, closest to the hole, longest drive and straightest drive at \$350.00 each. A sign identifying your company name and business logo on a hole sponsor sign is available for a \$150.00 donation. We also have prizes for the first, second and third place teams beginning at \$100.00 a player.

Your company name will be proudly displayed and recognized as one of our distinguished supporters during the tournament and will also be recognized in the Fairbanks Daily News-Miner as a sponsor. We look forward to your involvement. Please call me with your questions or to be a part of our event, at 452 6195 or 388 0272 or email me at vmtherrien@gmail.com

Yours in Rotary,

Valerie Therrien
