Mobile Dental Clinic services provided by Dental Care for Children during January, February and March 2019

Services include transportation, setup, operation and maintenance of clinical operations during October including operations at Reino de los Ninos and a school chosen by the Ensenada Rotary Club. These services included examinations, cleanings, fluoride treatments, fillings, extractions, root canals, crowns, bridges, and dentures. All of this treatment was provided to underserved patients at no charge to them. We appreciate the generosity of our volunteers who give of their time to support us as well as the Irvine Rotary for their financial support. Thank you to all.
Sincerely,

Chuck Tozzer, DDS

Budgeted support \$4500
