We pick up 2-5 tons of local surplus food each day, and deliver that food in food boxes to those who need it. All the driving is hard town driving with heavy loads. We have a vehicle which needs to be replaced. It is starting to cost us more to keep (cost of maintenance and down time) than to trade in. We have been working to collect enough money to purchase a new van outright and this is how the numbers are working today:

Ford Transit F4Z0 350 HD configured as in quote attached	\$45,500
--	----------

We have received this to support the purchase:

Trade in value	17,000
Grant from Walmart	15,000
Anonymous donor	3,500
Still need	10,000
<b>Total</b>	<b>45,500</b>

We seek your help and will be happy to provide you with more specifics of the work we do. The van is used entirely for pick up of local surplus food and delivery of local food boxes. Please go to [www.fairbanksfoodbank.org](http://www.fairbanksfoodbank.org) and to our facebook page for daily operations information. Thank you for considering our need.
