Sorry I didn't get this to you when I said. My 5 year old niece got us both super sick, when we visited Texas this past weekend. Still it was nice seeing her. Starting to feel better now, so here it is.

John, I will get you the actual receipts on Tuesday for reimbursement.

Thank you

REVOLVING CREDIT AND SECURITY AGREEMENT

1. "customer" agrees that the following terms will govern any charge account established by you for your use.

You will send me from Wilson-Bates ("Seller") a statement each month, which will show any unpaid balance. This "New Balance" will consist of the cash sale price, applicable sales taxes, Seller's finance charges and credit protection charges that may accrue.

2. I understand that I can avoid paying any FINANCE CHARGES by paying my "New Balance" in full, provided that payment is actually received by Wilson-Bates 26 days after statement closing date. If I do not pay the entire "New Balance" I understand that you may assess a FINANCE CHARGE on the unpaid portion.

3. The FINANCE CHARGE will be computed at the rate of 1.625% per month (ANNUAL PERCENTAGE RATE OF 19.5) or less depending upon the revolving credit plan agreed to by the customer (see security agreement and disclosure statement).

4. I understand and agree that the minimum monthly payment is established by the payment schedule as described in the disclosure statement I signed and does not decrease as the principle is paid, the remaining balance from such purchases shall be added to the then existing balance, and the purchases made before the account is closing months will then be set according to the new balance attained. Buyer may pay the contract in full at any time before maturity without penalty.

5. I understand that Wilson-Bates has a security interest in the goods purchased on this account until the unpaid balance of each separate purchase is fully paid. Payments will be without written consent of Wilson-Bates and will protect Wilson-Bates against all loss or damage to the goods from the time they are delivered to the earliest unpaid purchase. I agree not to dispose of the goods, remove them from the address listed on the sales ticket, or encumber them in full.

6. In the event of default or made on demand, Wilson-Bates may, in the manner and as provided by law, retake the goods and pursue any further remedy provided by law. If payment is not received by the 26th day after statement closing date, the late charges are 5% of the amount past due, or \$8 minimum, to cover costs, or reasons for delinquency.

7. If my payment is delinquent, Wilson-Bates is authorized to investigate my credit record and to report to responsible persons and bureaus, my performance of this agreement. The seller is authorized to investigate my credit record and to report to a credit-reporting agency if you fail to pay your credit obligations.

8. Wilson-Bates may amend the terms of this agreement any time by prior written notice to me, in the manner provided by law. Any new terms will apply both to my account balance and to any further purchases.

9. Buyer expressly agrees that there can be no refunds, exchanges, or returns of special order merchandise.

10. In the event a check received in payment is not honored by the bank, a service charge of \$15 may be assessed in addition to all other charges, plus the buyer is subject to applicable state laws.

11. Loss or damage to the goods will not release Buyer except to the extent Seller receives insurance proceeds. If there is more than one signer on the Revolving Credit Agreement, their obligations shall be joint and several. Co-signers will perform all obligations of Buyer if Buyer fails to do so. Final approval of this agreement rests with the main office of Wilson-Bates in Twin Falls, Idaho within seven (7) days.

12. Payment Protection will not be provided unless you sign and agree to pay the additional cost. Payment Protection provided includes credit life, total disability, property and involuntary unemployment. Refer to your Certificate of Insurance for coverage descriptions and limitations. The premium charged to your account is based on rates per \$100.00 or your average daily balance. The cost of coverage is based on the state of purchase; ID \$1.449.

13. When product is sold "AS IS". All implied warranties, including the implied warranty of merchantability and implied warranty of fitness for a particular purpose are hereby disclaimed.
