2. Name of District Grant: Large Trees for Heritage Park
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. Worked with the City of Idaho Falls Parks and Recreation department on developing a new park (Heritage Park) that is on land adjacent to the snake river and will connect to the River Walk system. The club brokered the donation of the land, donations of fill to contour the land and trees to start the landscaping of the park (Phase 1). The club is also donating funds beyond the trees and some signage to help defray costs of park development from the Duck Race proceeds. The project had a major setback when the Parks Director left and a new Director was hired (PJ Holm) and then the Pandemic delayed this springs activity.
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? The Idaho Falls community!
5. How many Rotarians participated in the project? 100 Briefly tell what did. Fundraising (Duck Race) coordinated with city of Idaho Falls, Local Nursery's on types of trees and cost, coordinated with local donors to provide materials and land to develop the new park.
