**Subject:** Results of District 5400 Scholarship Scoring

Good morning,

First of all, thank you all for getting back to me last week. I greatly appreciate the time and effort you all put into reading and scoring the applications. Here are the final results:

Applicant	Average
Webber, Mya	26.16
Henkey, Jade	25.93
Welch, Ashlynn	24.85
Williams, Kayley	23.96
Wallace, Ian	23.84
Anderson, Kylie	23.59
Turner, Colton	23.51
Raymond, Brooklyn	22.91
Rausch, Madison	21.85
Edwards, Madison	21.56
Carlisle, Jared	21.4
Zamora, Kayanna	19.68
Finney, Carlee	15.34
Deppe, Makenna	15.19
Fletcher, Michelle	14.78
Humpreys, Ashley	16.65
Zuniga, Alexander	13.78

Mya Webber has received the most points after I averaged all of your votes. She is attending BYU-Idaho this fall and majoring in nursing/healthcare administration. She attended RYLA.

Are you ready, as a committee, to award the scholarship to Mya? We are well into the semester already and I doubt that we could schedule a phone interview with the candidates in a timely manner. Plus we do not specify in our application process that they need to engage in an actual interview. Let me know what you all think. I would recommend that we award to Mya.

I think we can improve our process as we move forward and I would like to start that discussion later this year or early next year. DG Jennifer has reached out to me with some suggestions and I think we can talk about incorporating those and any other thoughts you all might have.

**Please let me know your thoughts on moving forward by Wednesday, September 26<sup>th</sup>.**

Thanks again!

Deb
