Rotary Club Chicago Near South **District Grant #** P-2289

Project Title St. James Food Pantry Support

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

We provided toiletries to the St. James Food Pantry as part of their continuing support of low-income residents on Chicago’s south side. We also assisted in sorting dry food and pre-packaged food items for distribution.

2. How many Rotarians participated in the project?

None Rotarians participated in this project.

3. What did they do? Please give at least 2 examples.

Club members purchased toiletries, sorted toiletries at the food pantry, and sorted food products at the food pantry creating “care packages” for food pantry clients.

4. How many non-Rotarians benefitted from this project?

Toiletries purchased benefitted approximately 200 people.

5. What are the expected long-term community impacts of the project?

By providing hygiene related products which may not otherwise be available, we believe there is a personal and social impact. The personal impact is to improve one’s self esteem and willingness to engage with society when uninhibited by the lack of hygiene products. Similarly, society benefits when social mores are met, such as a high-level of hygiene, as it makes individuals feel more included/accepted in society.

6. If a cooperating organization was involved, what was its role?

The St. James Food Pantry provided the means to distribute the toiletries to in-need clients.

7. How did you share the news of your project?

Information about this project was shared through our social media platforms, meetup, and our website.
