Dear Mr. Palaszewski

The following is a 2018 financial recap and a summary of the impact that has been made with the assistance of Rotary Club International \$3,000 donation towards our annual Back to School Backpack Program. Our program provided school supplies and backpacks to 200 children in our community. Each child received a backpack with the required school supplies for their age group/school grade. We also provided a smoothie as part of the program. Although many items were generously donated through various school supply drives in the community, a large portion of the school supplies distributed were purchased through monetary donations such as yours.

Major purchases with your donation included: backpacks, variety of school supplies. The table below illustrates expense amounts for each respective item. You will notice that Rotary Club International's donation supports 91% of these three expenditure items.

School Supplies	\$2,482.91
Backpacks	\$833.49
<hr/>	
Total Expense	\$3,316.40
Rotary Club International Donation	\$3,000.00
	91%

The City of Santa Fe Springs is greatly appreciative of your support and would like to warmly thank Rotary Club International, as you are our largest donor for this program on an annual basis. It is my hope that with your help, the City of Santa Fe Springs can continue to assist families and children in need as the new school year begins. Should you need any further information or have further questions I can be reached at (562) 692-0261.
