

**District Grant Report**

Rotary Club: Laguna Beach

Project Title: Literacy and Education Support

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Provide dictionaries to 3rd graders, provide library books and read from them to K-3 graders.

Dictionaries have been purchased and distributed to 4 of the 5 schools. Distribution at the fifth school is scheduled for 4/22.

Library books have been ordered by the school librarians. The final shipments should be received by the end of April.

2. How many Rotarians participated in the project?  
12 Rotarians and 10 Interact members have participated.

3. What did they do? Please give at least two examples.

One Rotarian coordinated the Dictionary purchase and scheduled the distribution events with school personnel. Another Rotarian worked with the school Librarians to order books. Ten other Rotarians have helped with dictionary distribution. In addition, 10 high school Interact members prepared the dictionaries for distribution.

4. How many non-Rotarians benefited from this project?

500+ Elementary School Students

5. What are the expected long-term community impacts of the project?  
The lasting impact of this project, besides the obvious one of providing additional quality books to the libraries, is the positive impression made on the students, by someone other than their teachers and parents, of the value and fun of books and reading. Not to be overlooked is the reward to participating Rotarians of interacting with the students.

6. If a cooperating organization was involved, what was its role?
