ADDITIONAL READING BY 9 COMMENTS

- The Rotary literacy program in October created significant press coverage and publicity.
- By the conclusion of this year (our 20th) we will have raised in excess of \$675,000 and donated more than 250,000 books and ebooks.
- The Literacy Committee has formed two sub-committees to review and select Teacher Literacy and Non-Profit grant recipients.
- On February 21st Rotarians will make our annual visit to a CDC site to deliver books and read to the pre-school kids. This year we will provide a book to over 2,000 kids at 27 different CDC sites throughout Long Beach.
- The ebooks are going to schools which are modernizing and will be without the use of their libraries during the schools year. This has been specifically requested by the LBUSD to assist these schools during such transitional period.
- Two of the four Kindergarten Festivals will be conducted at schools where Rotarians are reading through our Rotary Reads program.
- Likewise the AOC-7 Community Literacy Fair specifically includes elementary schools where Rotarians are reading to kids.
- Through our programs this year we are providing books and ebooks to 14 different elementary schools throughout Long Beach. The specific elementary schools are recommended to us by the LBUSD based on their assessment of where there is the greatest need.
- This fall the new Educare pre-school in North Long Beach had its grand opening featuring a library funded by Reading by 9.
- This summer the New Main Library is scheduled to open. We are working with the City of Long Beach Library staff and the Library Foundation to explore ways to provide books and do other things to enhance the Rotary Early Childhood and Storytime Area in the New Main Library.
- We welcome and encourage LBRCF Board Members to attend the CDC site visit, visit a Kindergarten Festival, the AOC-7 Community Literacy Fair or any of the non-profits or classrooms where Reading by 9 has provided grants.
