Project Number: P-2342 Rotary Club: Chandler Horizon Rotary Club
Project title: Shelter Boxes for Guatemala

Project Description. What was done in 110 words or less?

Our club donated to the ShelterBoxes which might be deployed to Guatemala during the 2018 volcanic eruptions. ShelterBoxes deployment protocols have changed, response teams work closely with local governments, organizations, international aid agencies and Rotary clubs worldwide to provide the exact assistance needed in the timeliest fashion. ShelterBoxes provide aid that is tailored to meet the needs of a community after a specific disaster. The support comes in the form of ShelterBoxes which contain family-sized tents specially designed to withstand the elements and provide people with temporary shelter until they are able to start the process of rebuilding a home. ShelterKits contain all of the essential tools people need to start repairing and rebuilding homes straight away.

When (dates) and where (city and state) did the project take place?

On 5 December 2018, the Chandler Horizon Rotary Club presented Ms. Sharee Sheets, the Strategic Partnerships Manager with a check for US \$4,000 during a club meeting in Chandler, Arizona.

Disasters happen every day, from conflicts and wars, to volcanos and tsunamis. ShelterBox reviews the needs and ships out the best suited needs.

All our club members (30) participated financially

What did the Rotarians do? Give at least two examples.
