I want to thank you so much for your assistance with our annual Thanksgiving luncheon. The turkeys you purchased provided by the Litchfield School district were delicious. We were able to serve over 140 people at the center and another 70 home delivered meal participants. You all coming to serve makes this luncheon extra special for the seniors, and assists our staff so much. We appreciate it so much, and are looking forward to the upcoming Holiday luncheon on Dec 20th! Thank you and have a very happy Thanksgiving holiday with your family and friends.

Thank you,

Erin Lutz
