Rotary Club: Bedford-Armonk Rotary Club
 Project: New Book For Children
 Progress: Final

Project Description

- Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done? The club contacted Northern Westchester Hospital Center and Open Door Clinics by phone to see if they needed books for their patients. Both said yes. We ordered a selection of kids books and when delivered, affixed Rotary Book Plates to each one at a members house. The books were then delivered to NWHC and ODC.
- How many people benefited from this project? 800
- Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

Pediatric patients at both facilities received the new books. They were able to take them home and share them with their families. These are mostly immigrant families & children who do not have financial access to own books.
- How many Rotarians participated in the project? 10
- What did they do? Please give at least two examples, not including financial support provided to the project.
 - Help select the books.
 - Insert Bookplates in each book (bookplate uploaded to grants page)
 - Deliver books to recipient locations.
- If a cooperating organization was involved, what was its role?
