Subject: Bronxville Rotary Report on TCC \$5,000 Grant

The Bronxville Rotary Club approved a \$5,000 grant to The Counseling Center of Bronxville for the development of software and programming to upgrade its database management system to track and enhance its fund raising efforts connected with its Fee Subsidy Program. The Counseling Center is a not for profit organization which has been in existence for upwards of 40 years providing critical psychological therapeutic service to many 1000's in the surrounding communities. Its mission is to provide such services to all in need, and has established a Fee Subsidy Fund to help subsidize clients who cannot afford the going rates.

The initial phase of the project was completed for \$2,500 thanks to the generosity of certain vendors involved in the project (a B'ville Rotary member). Therefore only \$2,500 of our grant money has been used as of this date, however the remainder is earmarked in our Foundation Account for future and ongoing database enhancements.
