Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Grant funds will go to purchase the materials necessary for the construction and installation of these tiny libraries, as well as to purchase books for these sites. Little Elm Rotary Club members will be involved in the project by building and installing these tiny libraries, and also making sure the libraries are stocked (with books purchased with grant funds, club monies and those donated to our project). Projected will be marketed throughout our community and schools as we participate in a Rotary Reads day in our local district.
