**Project Title** Dictionaries

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.  
After coordinating with SD302 we ordered Dictionaries & 4Way Test Labels.
- Upon receipt we unboxed all dictionaries, added the 4Way Test labels with our name on the labels, reboxed the dictionaries and delivered them to all Elementary Schools in the SD302. In some cases, Rotarians helped distribute the dictionaries and in other cases the school Staff distributed the dictionaries to the students.
- How many Rotarians participated in the project? Approximately 15 Rotarians.
- What did they do? Please give at least 2 examples. Again, we unboxed the dictionaries, added labels and reboxed them. We delivered them to each Elementary School.
- How many non-Rotarians benefitted from this project? All the 3<sup>rd</sup> grade students in SD302.
- What are the expected long-term community impacts of the project? The 3<sup>rd</sup> grade teachers will have the students use the dictionaries during there call time to look up spelling. As the advance through the grades I am sure the dictionaries will be sidelined in favor of computer "spelling corrections".
- If a cooperating organization was involved, what was its role? Both the Superintendent, the principals and the teachers in all of the SD302 Elementary Schools.
- How did you share the news of your project? Through our Rotary Facebook page, local newspaper & local paper.
