Dear Sir or Madame,

Thank you so much for your support of HELPS International and for your donation of 10,000.00 USD for 200 water filters to be installed under project 02178, 2018 Fuego Volcano Eruption Relief. We will honor this preference for the use of your donation. HELPS is able to do our work because of the support of our donors and the work of thousands of our volunteers. This partnership has led to over twenty-five years of service to Latin America. In these times, we are especially appreciative of the sacrifice our volunteers and supporters continually make to assist others that they do not know and from whom they will not receive anything in return.

Please note that in order to protect the IRS tax deductibility of this donation, HELPS must accept it without restriction, which means that if your gift cannot be used as designated, it will be used in other important functions within HELPS. At year-end you will receive a letter summarizing your annual contributions.

If you would like more information about our programs, becoming a volunteer or organizing a team, please contact us at 972-386-5172 or visit [www.helpsinternational.com](http://www.helpsinternational.com). Thank you for transforming lives.

Sincerely,

Stephen W. Miller
