

El Centro Rotary Spring Break Internship

April 22nd—25th

Participants will have the opportunity to learn from El Centro Businesses and Rotary Professionals tips and tricks to being college and or career ready!

The program is limited to 5 students so do not delay!

Program will include an orientation on day one followed by college preparedness, career interview, and resume tips. The second and third days will be tours all over El Centro to local businesses for an opportunity to connect and learn about opportunities! The fourth and final day will include a team build workshop and presentation. There is a stipend for your work that you put in! YES you will be paid!
