RE: RENOVATION OF DINNING HALL (MASAKU SCHOOL FOR THE PHYSICALLY DISABLED).

In reference of the above subject, the works could not start in February, 2018 due to;

- i) We have no other room that can be used as dining hall when pupils are in session.
- ii) It will involve clipping of the floor which causes dust and some of our pupils are allergic to dust.

The works will start at the end of March, 2019 to be completed within 4 weeks of April 2019 Holiday.

Thank you,

Yours Faithfully,
