RENOVATION WORK REPORT

- The sourcing of material started on 8/4/2019 after advance payment of Ksh 280,000.
- Work delayed abit as the school was hosting/ accommodating games teams from distance school.
- After knocking down or demolishing Dias or stage area noted to be abit sunken by $\frac{3}{4}$ " this calling for additional budget i.e. sand, cement and labour.
- Rotten frame was removed and replace by a new frame and door fixed back Iron mongery to improve door shutting installed.
- Lighting panels to enhance lighting were incorporated in all classes, w/shop, physio room, and computer lab dispensary and dinning hall. The rooms now look *grate. great.*
- Tilling to match classes has been laid in the entire dinning hall.
- Wall partly hidden by Dias not painted thus calling for additional painting material to paint the wall which has already been done.
- All the external surfaces of dinning hall wall skillfully painted giving dinning hall a totally new look.
- All the intended tasks have been completed and the project is now ready for your inspection and endorsement.
- We have spent well over Ksh 430,000 and the school is committed to pay what is above Ksh 400,000 you have promised and committed to donate to cushion the difference.
- We look forward to your coming to inspect the project.
- Receive thanks and appreciations beyond measure for financing the upgrading work that is just completed.
