Dear Pastor Malaho,

On this day of Thanksgiving here in America, we have many reasons to be thankful. For me and our fellow Rotarians who were instrumental in the grant to provide the new bedding, blankets, and sheets for the orphans there in Shikunga, we are thankful for passionate Rotarians who do such good work around the world. Pastor Malaho, you and your family are to be admired for using your God-given talents to do amazing humanitarian work to make life better for those who need our help the most. We are proud to partner with you in any way we can and we hope to do more with you in the future.

God bless you, your family, and all the good people of Shikunga,

Kim

Dear Friends.

Please very humbly allow me to stand with you in Solidarity and Prayers with you as North Americans celebrate their Thanksgiving Day. It's a great thing to reflect on Working and Provisions of Almighty God to an individual and to a Nation. Without great humility and Integrity nobody can set a side a day to reflect and celebrate on the goodness of God and have a Thanksgiving day.

Through your friendship to us in our village of Shikunga, now we have stable source of clean Water for our domestic use. Recently we bought new Beddings for our Children Home some are already in use and some are in our Store for emergency and replacement through your financial donations. You have all reasons to celebrate very cheerfully in the presence of God and public for all that you have managed to achieve for humanity.

God bless you all ! God bless your Rotary Clubs and God bless your Country and Government.

Rotary World all Over. Great is the faithfulness of God.

PST. Silvanus Malaho.

NB. We shall have our Shikunga Village Thanksgiving day December 23/2018.

Today I even delayed to go to Church because I wanted to put all receipts in order because Jane the lady who keeps all receipts and other records had a serious domestic problem and she's out of office until sometime next February 2019. The receipts are very faint therefore tomorrow morning I will seek the advice from the supermarket where I bought the items because I will be very happy and thankful to forward to you very clear and authentic receipts.

Please be patient until tomorrow.

Thank you.

Dear Pastor Malaho,

Thank you for this added information to clarify your expenditures. I am sorry to bother you further with this, but the copies of receipts you originally sent were not the correct

ones. They are for other items you have purchased. Could you please send copies of the receipts that match the expenditures you have listed in this email?

Thanks again,

Kim

Dear Friend Dr. Kim .

Thank you for your feedback.

You forwarded to me \$1500, after Bank Charges and Taxes , I was paid Ksh.147,6850 .

I bought the items as follows :--

48 Mattresses @ 1450 per one =69600.

84 Pieces of Blankets @ Ksh.550 per one.=46200.

84 Pieces of Bedsheets @ Ksh.365 per piece =30660

Total Ksh. 146460. The other amount used for transportation.

Good evening Dian,

Thanks for your email this morning about the receipts sent to me by Pastor Malaho. I apologize that I did not include you in the list of recipients to whom I forward the emails I received from Pastor Malaho which included photos and receipts. The next several emails I will forward to you are those which I received from him, replied to, and forwarded to others involved.

Below is the list of purchases he sent me when I wrote and told him I couldn't read the faded receipts he originally sent. He also had sent a few receipts for items that were different than what was related to this grant. When I brought this to his attention, he apologized for the mistake and attempted to retrieve the actual printed receipts which he told me were too faded to read. He told me that he had the vendors write out receipts for his purchases, which he sent in a later email. I wish we had the actual printed receipts, but I hope this information, including photos of the bedding, are sufficient documentation.

Please let me know if I can be of further help on this Dian.
