

Since our last report the project has generated an additional contributions of \$6023.00. We have paid out \$1234.02 in expenses. The main expense is paying 1/3 of Client 1 rent of \$1000.00. We paid for Client #2 bed and sheets etc in the amount of \$234.02.

Out last report stated we were hoped to have another client, and since we have differently have client #2 on board as a client
