Dear Ted,

It is my pleasure to inform you that the Gianforte Family Foundation trustees have taken into consideration the mission of your organization and would be pleased to present Bozeman Sunrise Rotary Club with a grant of \$25,000.00 to be allocated towards your East Gallatin Recreation Area Park Master Plan. Please let us know when you have a specific, timely need for the funds and we will send the check to the address on this letter.

If for some reason the grant funding can't be used for its originally intended purpose, please contact us to make other arrangements for the funds.

In accepting these funds, the trustees ask that you commit to complete an online impact report form by January 15, 2018 updating the foundation on the allocation of this grant. Instructions for completing this form will be included in a reminder email you will receive a few weeks before the report is due.

It is the trustees' hope that this grant will assist your organization as you improve on a wonderful, outdoor area for our community.

Sincerely,

Catherine Koenen
