**Briefly describe the project. What has been done and what still needs to be completed?  
(Please add an attachment if necessary)**

Project Description:

Project Fairs provide enhanced training for club leaders as well as opportunities to form partnerships with other districts and clubs to better fund and implement Global Grant Projects. The development and funding for global grants can be challenging for clubs and members.

This grant will help fund the travel, registration and lodging costs associated with attending the fair. Club members will attend workshop sessions, view other project presentations, and promote our club and district as viable, experienced and very effective partners for future Global grant projects.

At their own expense upon conclusion of the fair, the attendees (George Gerard, Linda Gerard, Mick Shea and Eileen Carney) will visit our current projects, as well as 'Maya Pedal' - the same destination for several of our interact clubs.
