Good morning Karen,

I have attached a synopsis of the next phase in the reconstruction of Arnold Plaza.

1. A room cost for an suite type resident room.
2. ADA compliance. This project will be completed in phases as occupancy requirement needs. The \$4,000.00 target will allow us to apply for occupancy of the first 9 rooms.

Please let me know if any additional information is needed.

Once again, we thank you!
