Rotary Club: \_\_Cody\_\_\_\_\_

Project Title: \_\_Cody District Scholar Nominee\_\_\_\_\_

### **Project Description:**

---

1. Briefly describe the project. What was done and where did the project activities take place? Explain how the beneficiaries and other community members were involved?

One Cody High School student, Claire Pfister, was awarded a Rotary District 5440 Scholarship for her essay on the application of the Four Way Test in her life. A check was sent to the Cody Rotary Club from the District. Claire attended a Cody Rotary Club meeting and shared her future plans with the members. She has provided proof of enrollment in college along with proof of graduation. The Rotary Club treasurer provided me with a check for Claire. That check is to be mailed to Claire with a letter from the scholarship committee wishing her luck in her future endeavors.

2. How many Rotarians participated in this project? 7
3. What did they do? Please give at least two examples.

All are members of the Cody Rotary Scholarship committee. This team has created the local club scholarship application and reviews all applications. This same committee, in reviewing the application packages, discussed and agreed upon the best essay to be submitted to the district for the District Scholarship.

4. How many non-Rotarians benefited from this project? 1

5. Who are the beneficiaries and what is the expected long-term community impact of this project?

One student has received a \$2000 scholarship to further her education. As class valedictorian, with plans to attend Drexel University, Claire will be successful in whatever she undertakes. It is hoped that she remembers and chooses to support, if not become, a member of Rotary as she matures into adulthood.

6. If a cooperating organization was involved, what was their role?
