

Club Rotario Ensenada Centenaria
Directiva 2019-2020

Ensenada, Baja California, February the 5th, 2020

Rotary Club San Clemente Sunrise, CA

To whom it may concern.

Hello dear rotarians, first of all we'd like to thank you again for your constant support and collaboration along the years on giving some hope to the most needed people here at Ensenada.

We would like to let you know that we haven't been able to cash or deposit the check you gave us for \$2,354.00 usd in our club's bank account, this is because of legal restrictions mexican government has placed over banks in foreign checks, it has a monthly maximum amount and we have reached that. So, we would like to ask your club to cancel that check and instead do a wire transfer for the \$2,354.00 usd directly to our account (transfer instruction at the bottom) and then we can send you back the check, mark it cancelled or destroy it as your convenience.

We are deeply sorry for this situation, but it is out of our hands, and now we have payments to make to suppliers of the project.

Please let us know if it is possible, we'll really appreciate it.

Thanks in advance, have a wonderful day.

Best regards,

Milton Rivera Cejudo
