Project Title Dictionary Project

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
We disbursed approximately 1,500 Dictionaries to third graders who attend school, both public and private in the Joliet area.
- How many Rotarians participated in the project?
Approximately 50.
- What did they do? Please give at least 2 examples.
Rotarians visited schools in the Joliet area and both gave each third grader a Dictionary but also informed the students about Rotary and what Rotary does. Examples were given about Rotary projects, both local and global and the four way test was explained.
- How many non-Rotarians benefitted from this project?
Approximately 1,500.
- What are the expected long-term community impacts of the project?
That over time all local students will be familiar with Rotary and have a dictionary to learn from. If we continue to do this project eventually all students will be familiar with Rotary.
- If a cooperating organization was involved, what was its role?

Joliet Grade School District 86 helped coordinate the date of the delivery. Private schools are done separately and individually.
