The Rotary Foundation District Grant
FINAL REPORT

Deadline for submission: May 15th, 2020

Must be filed electronically at: <http://www.matchinggrants.org/district/>
Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #) # P-2770
2. Name of District Grant: Downtown Beautification
3. Briefly describe the grant and list any changes that might have occurred: (100 words or less) When we submitted the original grant, the downtown Chappell area was undergoing a renovation project. Our club was interested in helping with the planting of grasses/plants in designated areas along the main streets to help finish up the project. Due to construction and weather delays, the project was not finished in time. They had to halt the project until they could come back in the Spring to finish up and redo some parts of it. Since it was not finished until later this Spring, it was too late to plant anything this year. We awarded the funds to the City of Chappell for them to put into their renovation account and we will purchase the plants next Spring and help to plant them.
4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less) Construction projects seldom come together as everyone anticipates. However, it will look nice once everything is complete!
5. How has your Club or community been impacted by this grant? (Check all that apply)
 Involvement of Rotarians in our Club in humanitarian grants has increased.
 Our Club's international Rotary networks have been strengthened.
 Annual giving to the Rotary Foundation in our Club has increased.
 Club membership has increased.
 Our Club's awareness of the needs in our community has increased.
 Participation in a District Grant has not changed our Club in any significant way
 Others: _____
6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. It is pretty self-explanatory. My brain just doesn't remember from year to year how to do everything in the process. My problem, not yours!
7. **Financial Summary**

Amount of District Grant funds received:	\$ 500.00
Amount of Club funds used in grant:	\$ 150.00
Amount of other funds used in grant:	\$ 0.00

Please include all invoices and receipts in electronic format to your web page on the District Grants web page: <http://www.matchinggrants.org/district/>
I will forward a copy of the check that was given to the City of Chappell, Nebraska.
