Metroport Rotary Club of Southlake
PO Box 92886
Southlake, TX 76092

To the members of Metroport Rotary Club of Southlake:

Thank you for your generous donation to Hear MY Voice: Language Through AAC of \$1,780. The grant that you provided to our organization allowed us to buy four iPads and eight different AAC applications that we could use during our training courses. This allows our participants to have hands on experience with a variety of AAC software or applications that their loved ones or students may be using. We pride ourselves on not aligning with one software or application developer because for us it is about Language and not the system.

Thank you again for believing in the Hear MY Voice: Language Through AAC mission and for helping us to change the AAC world one parent, family member, educator, and therapist at a time.

Sincerely,

A handwritten signature in black ink that reads "Michelle Lunday". The signature is written in a cursive, flowing style.
