

District Grant Report

Rotary Club: Rotary Club of Huntington Beach

Project Title: Waymakers HB Youth Shelter

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries
There are 6 bedrooms in the Youth Shelter, each containing 2 beds. The beds were 13 years old and had old metal frames. Our Club helped purchase new beds to replace the 13 years old beds. The youth in the Shelter are the beneficiaries of the Project.

2. How many Rotarians participated in the project?
Approximately 4 Rotarians participated in the Project.

3. What did they do? Please give at least two examples.
The Rotarians helped in the purchasing of the new beds. Originally more Rotarians were to be installed in the assembly of the new beds. It turned out that the supplier of the new beds did the assembly.

4. How many non-Rotarians benefited from this project?
The Club will benefit as we will visit the Youth Shelter, see the new beds, and learn more about how our Club can further assist the Shelter.

5. What are the expected long-term community impacts of the project?
The Shelter is a refuge for homeless, abused, and at-risk youth. The new beds will help provide a more comfortable environment for the Youth during their stay.

6. If a cooperating organization was involved, what was its role?
No additional organization cooperated with us other than the Youth Shelter personnel themselves.
