When you place an order, Jet creates a pending charge (pre-authorization) for the amount of your order total minus any JetCash or credits used at checkout. This is not an actual charge.

Once your final shipment is sent, all pending authorizations will be dropped from your account and only the final charges will remain. Refer to [FAQs](#) for more details.

To cancel your order, visit your Order History within 30 minutes of placing it. You have 30 days from delivery to make a return. Visit your [Order History](#) for instructions.
