to Lesley, William, Rachel, me

Lesley and Bill,

I've talked with Rachel about Homewood's grant #2831, Scholarships. Rachel has directed us to treat this grant as a COVID-19 grant because the project was significantly disrupted by the COVID outbreak.

I uploaded proof of payment from the Glenwood and sent it on as reported. I also changed the status of #2826 back to reported so that it can be closed.

I will upload a copy of this email to #2831 as documentation of the approved change.
