

LaPuente Grant completion
For
Kitchen/Dining Area Remodel

Longs Peak Rotary Club is please to announce that the project at LaPuente is complete. The 2020 Pandemic postpone construction for several months, The construction of the grease trap for the kitchen was part of phase one. The grease trap was completed in the late summer of 2020 and the construction of the remodel was aloud to continue.

Now over a year later the project of the Kitchen/Dining are remodel is complete and the Kitchen is back serving food. While the kitchen was closed prepared meals were handed out, continuing to provide assistance to the community.
