Re: Acknowledgement of funds received from the Hurst-Euless-Bedford Rotary Club

This is to confirm that EATBETA International Foundation received a check (#1039) in the amount \$1,500 on May 22, 2019 from the Hurst-Euless-Bedford Rotary Club. The funds are for the construction of a hand-dug water well in a Ugandan rural village called Zirowwe. The construction is expected to be completed by June 22, 2019 and a full report will be provided after the completion and launching of the water well.

Sincerely,

A handwritten signature in blue ink, appearing to read "Julius Sonko". The signature is written in a cursive style and is positioned above the printed name.

Julius Sonko

Executive Director,

EATBETA International Foundation
