Project Leader Name: David Owens

Project Leader Email: david@owensinvestmentadvisors.com

Brief Project Description:

MBSR will throw, in partnership with the Just like me foundation, at least three events over the course of the year including, 1 or 2 beach barbecues, Annual dance, and possibly more. MBSR will partner with JLM to develop, implement and staff the events. These events provide social enrichment activities for developmentally disabled youth ages 12-24 and their families in our local community. Normally, these kids and their parents do not have access or invitation to these events.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

7/01/2019, through 2/28/2019

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

Just like me foundation, a local 501(c)3 will be the lead on organizing and planning the events.

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

MBSR Members will be the volunteers to run the event. This will include set up, decorating, check-in, working the events, and clean up after the event. We will also look to include Interactors to assist in running the events.

9. Who are the Beneficiaries:

(Who are you serving and how?)

The beneficiaries are local teens and young adults with special needs helping them to enjoy the typical activities of all kids their age. This also provides experiences for the parents of these kids, knowing they might not normally be exposed to these events. Also, gives the Interactors an opportunity to interact with the special needs kids, furthering the bond between the youth groups.
