Jonny,

This letter attests that United Way of Denton County, as the fiscal agent for the Denton Back to School Fair Committee, has received two checks totaling \$2,672 in funding to be deposited prior to May 31 and used solely to purchase school supplies for children through the 2020 Denton Back to School Fair.

Thank you for contributing to Denton's future by facilitating the academic success of children in Denton ISD!

Sincerely,

A handwritten signature in black ink, appearing to read "Theodore Yan", with a long horizontal flourish extending to the right.
