2. Project Description

Describe the project, its location, and its objectives. Describe how the project will benefit the community and/or improve the lives of the less fortunate. Also include sustainability elements.

This may be the same as in matchinggrants.org but in many cases may have additional information. Information may be included in this request that is not appropriate to publicly display as when this report is uploaded to the website, access can be restricted to only those people associated with this project.

This project combines social interaction as well as structured regulation of pet (dogs) in the public purview. The Custer Bark Park will allow interaction of pets and owners in a centralized location while addressing the objectives of safety, sanitation, and a regulated environment.

ESTIMATED START DATE OF PROJECT: October 1, 2019

ESTIMATED COMPLETION DATE: May 1, 2020

3. Describe non-financial participation by Rotarians in the project (i.e., Rotarian activities).

Members of the Custer Rotary will construct the shelter component of the project.

4. How will the general public know this is a Rotary-sponsored project? Please provide details, such as media publicity, report for the District news, or display of the Rotary logo.

There will be a plaque on the shelter identifying Custer Rotary. Ad will be placed in the local newspaper, the Custer Chronicle, and social media such as the Club's face book page will be used to identify the project.

**Rotary Year
2019-20**

5. Project Contacts: Two Rotarians must be listed who will provide oversight and management of the project funds. One of these two individuals should enter project into www.matchinggrants.org/district and both should be given Administrative Access for the project there.

5610/CAP (Community Assistance Program) Grant Checklist Rotary Year 2019-20

Initial each item and return with your application.

- The First Contact on this grant is the grant writer, who attended the Club Grant Training.
- The Club has submitted a signed Club Memorandum of Understanding (MOU) for the current year.
- The Club is in good standing with the IRS and has submitted a current IRS Form 990 receipt to prove their non-profit service club status.
- This project is a new effort for our club—it is not a project that we have done previously, either with CAP Grant or 5610 Grant funding or as an ongoing club-sponsored project.
- CAP Grants only: The club is matching (50%) the entire amount being requested, up to \$1000. The project may be larger than \$2000 (the grant plus the club's funding), but the maximum grant award is \$1000.
- This project is totally or at least primarily sponsored by the Rotary Club—we are not simply funding the project of another organization. No funds will be paid directly to another charitable organization.
- No funds will be utilized to support travel expenses, salaries, administrative or other overhead costs, or the operational costs of another organization.
- Work on the project will not begin until the grant is approved by the District and the Club has received the grant award (check is in the bank).
- The project will be completed in its entirety within 24 months of grant award. Reports will be provided to the District when required. (see the Grant Report for details).
- The lead/sponsor club agrees to adhere to all stewardship requirements set forth in the Club Memorandum of Understanding.
- The lead/sponsor club will publicly identify the project as Rotary sponsored.
- No funds from this grant will be used to directly benefit a Rotarian or any Rotary employee, including those employed by a club, district, Rotary International, or any other Rotary entity.
- No funds from this grant will be used to directly benefit a relative, including spouses and in-laws, of any Rotarian or Rotary employee as defined above.
