2. Project Description

Describe the project, its location, and its objectives. Describe how the project will benefit the community and/or improve the lives of the less fortunate. Also include sustainability elements.

This may be the same as in matchinggrants.org but in many cases may have additional information. Information may be included in this request that is not appropriate to publicly display as when this report is uploaded to the website, access can be restricted to only those people associated with this project.

Several years ago, the USD Student Veterans organization pointed out that the campus lacked a proper U.S. flag display. At the same time, prominent USD alumnus Gary Conradi mentioned that with three Medal of Honor recipients among its alumni, the USD campus has no official recognition of the honor bestowed on the late Jose Foss, WWII Marine pilot and governor of SD; Arlo Olson, WWII Army officer killed in Italy in 1943 and George "Bud" Day, Air Force pilot in Vietnam held prisoner in Hanoi and escaped twice. In addition to honoring these three heroes, the timing of the Patriots Project recognizes the service of other veterans among the extended USD family. Finally, the Patriots Project recognizes the centennial of Army ROTC at USD. The Patriots Plaza is a community memorial park being placed on the USD campus as a community collaboration. The dedication for the complete project is planned for Veteran's Day 2021 (November 11, 2021). Simply, this project is long overdue and Vermillion Rotarions and Vermillion Military Veterans and Service Members will be bringing this project to completion, and we sincerely hope that Rotary International will provide this valuable support of this most deserving project.

ESTIMATED START DATE OF PROJECT: December 1, 2019

ESTIMATED COMPLETION DATE: November 11, 2021

3. Describe non-financial participation by Rotarians in the project (i.e., Rotarian activities).

A Vermillion Rotary Club member is the chair of the project steering committee (another Rotarian is also on the committee), a Vermillion Rotarian will be providing the flag poles and the flags that will be displayed at the plaza, and another Vermillion Rotarian runs the business that will be carving five service symbol crests.

4. How will the general public know this is a Rotary-sponsored project? Please provide details, such as media publicity, report for the District news, or display of the Rotary logo.

Vermillion Rotary including the Rotary International logo will be incorporated as part of the complete project along with indication of Rotary’s contribution specifically for the memorials recognizing the three medal of honor winners. Press releases will be distributed to local news papers as well as Rotary Internation and Disctict publications acknowledging the award. Rotary will also be recognized at the ribbon cutting and unveiling at the project dedication.
