**Lead Rotary Club:** Clark Rotary Club

**Participating Rotary Clubs:** Click here to enter text.

**Project Title:** Clark Rotary Baseball Bathroom

### Project Summary

Clark Rotary Club is looking at renovating their Baseball Diamond bathroom floor. It currently has a cement floor in it which has begun cracking and pitting in spots. Clark Rotary Club wants to have a professional applicator group grinding down, put a base layer of epoxy, a layer of quartz and a top layer of epoxy on the floor, as well as fill in any cracks and joints to help with future cracking issues.

**Amount Requested: \$ 2000**

**Minimum Acceptable†: \$ 1500**

Clark Rotary Club is looking at renovating their Baseball Diamond bathroom floor. It currently has a cement floor in it which has begun cracking and pitting in spots. Clark Rotary Club wants to have a professional applicator group grinding down, put a base layer of epoxy, a layer of quartz and a top layer of epoxy on the floor, as well as fill in any cracks and joints to help with future cracking issues.

Clark Rotary Club has looked at two option's, the first option, which you will see on the estimate costs \$2,520. We felt would not suit our needs, as kids with baseball cleats would chips the epoxy almost instantaneously, therefore we have opted to look at the 2nd option of using quartz which is much more strong and should with stand the metal baseball cleats the kids use. This shows a price of \$3,640 and fill in the cracks of \$258.40 with a 4 % sales tax of \$155.94 for a total project cost of \$4,054.34. ( You will notice it shows \$6,675.14 but this is with both the first and 2nd option included on the estimate). We feel based on funding this project will be completed prior to November 2019.

Recently baseball in Clark has formed an association ranging with kids from 5 years old up to 20 years old who use the baseball diamond. Clark Rotary has redone the field, but not made updates to the bathrooms or concession stand. Clark Rotary Club holds an annual baseball tournament the 2nd weekend in July. Roughly 15 members of our Rotary Club help with this tournament annually with prepping the field between games, to running scoreboard and announcing the games. This tournament has great attendance and received great recognition for how well the ball diamond looks and plays and makes teams want to come back. The goal of the club in

the next 2-4 years is to hold a state baseball tournament to help with the field's recognition, and make people aware that Clark Rotary Club put the time and effort to better the community

ESTIMATED START DATE OF PROJECT: 10-1-2019

ESTIMATED COMPLETION DATE: 12-1-2019

**3. Describe non-financial participation by Rotarians in the project (i.e., Rotarian activities).**

The Rotary Club of Clark, SD will have to remove all of the contents currently in the bathroom to help make it easier to put down the epoxy and sloping of the bathroom floor. This will include removing toilets, bathroom stalls, and any other contents on the floor. This will help the overall speed, and conclusion of the project.

**4. How will the general public know this is a Rotary-sponsored project? Please provide details, such as media publicity, report for the District news, or display of the Rotary logo.**

Currently at the baseball field the Clark Rotary Club has signage displayed throughout the field including banners and metal signs.

**5. Project Contacts: Two Rotarians must be listed who will provide oversight and management of the project funds. One of these two individuals should enter project into [www.matchinggrants.org/district](http://www.matchinggrants.org/district) and both should be given Administrative Access for the project there.**
