Security Features exceed industry standards and include:

- Large amount of perforated security lines on front and back of each document
- Microprint lines on back of each document to indicate check has been deposited via ATM or device
- The Security Wave® pattern on back designed to deter fraud
- Microprint lines printed on front of each back
- The words "ORIGINAL" printed on the back
- Photo Scan Register™ non-removable on front and back

Do not cash if:

- Any of the features listed above are missing or appear altered
- Excessive ink on back looks like it has disintegrated
- Brown stains or colored spots appear on both front and back
