

## HAPPY FEET

Raising kids in the 21<sup>st</sup> Century is no easy task, and stress on parents continues to increase. What if there was a way to help take away some of the pressures you might be facing with your family budget? Approximately 30% of children in our area are on free and reduced lunch programs.

The Cody Rotary Club is continuing the program called Happy Feet to help address a growing concern that children in our community lack adequate footwear. This program has been successful for a number of years and will provide tennis shoes and snow boots to children whose families struggle to keep growing children in adequate footwear.

This program will be supported by local merchants including Sunlight Sports and Wal-Mart. Happy Feet is anonymous, open to any student and provided at no cost.

If you are interested in this program, please complete the consent form on the back and return to your elementary school office. Once the application is processed, local Rotarians will provide a pair of shoes (snow boots if requested) and two pairs of socks to the school to be distributed. A school counselor will present your child with the shoes in private in the school counselor's office.

If you are interested in supporting this program, make checks payable to Cody Rotary with "Happy Feet" noted on the memo line and provide to Cody Rotary at PO Box 2215 Cody, Wyoming 82414.
