

# District Grant-Final Report Form 2019-20

( File Online- <http://www.matchinggrants.org/district>)

Return this completed form to your District Rotary Foundation Grant Sub-Committee Chair (DSGC).  
**Do not** sent this form directly to Rotary International.

Rotary Club: Eagle Mountain-Saginaw

Project Number: P-3175

Project Title: Beautify Saginaw Day

## Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

*Beautify Saginaw Day is an event to involve the community to clean-up pre-designated roads, gather for lunch then participate in re- and up-cycling craft projects and painting on rocks. To be held on Saturday, 25<sup>th</sup> April, this event is to help commemorate Earth Day, bring the community together in fellowship whilst protecting our environment*

2. How many Rotarians participated in the project?

10

3. What did they do? Please give at least two examples.

*All members of the Club were on the planning committee, organized the lunch, sought sponsors, and participated during the event, either setting up/breaking down the lunch/craft area, serving lunch, being part of the clean-up crew and/or helping with the craft projects.*

4: How many Non-Rotarians participated in the project?

*Projected to be at least 20, hoping for 40*

5. What are the expected long-term community impacts of the project?

*Hopefully the impacted roads will remain tidy/clean for a period of time, and the community will see other ways to recycle other than the specific craft projects, but more importantly great memories of coming together will remain forever. It is also the hope that this event will become an annual event, growing each year to become an Earth Day Festival.*

6. If a cooperating organization was involved, what was its role?

*The EMS Rotary Club partnered with The Art Place and Saginaw Nutrition with the planning, financing and execution of the event*

## Financial Report (District must retain receipts of all expenditures)-The two yellow cells must be the same
